

MISTY GROWER

a completely organic fertilizer comprised of 100% heat processed poultry litter...

...one of the richest manures available, and an abundant natural resource.

- ◆ Natural slow release of nutrients
- ◆ Uniform pellets for easy application
- ◆ Won't burn plants...EVER!
- ◆ Environmentally safe
- ◆ Neutral pH -- no lime needed
- ◆ Increases root strength
- ◆ Improves soil's ability to store moisture
- ◆ Free of pathogens, bacteria, drugs & weed seed
- ◆ Very economical vs chemical fertilizers

Ideal for:

- ◆ Lawns
- ◆ Flowers
- ◆ Vegetables
- ◆ House plants
- ◆ Trees
- ◆ Grazing fields for livestock and horses
